

Message from the CEO

Founded in 2011 in Oman and forming part of the Alghanim International Group of Companies, TransCrate International Logistics, formerly known as Kuwait International Removals Co. W.L.L., steadily developed an enviable reputation in the contract logistics market.

Dynamic and enterprising foundations built by Mr. Diraar Y. Alghanim, combined with best practices of the traditions of a business and benefits of a professionally managed organization, earned the company a reputable history and credibility.

Over the years TransCrate International Logistics has grown into an outstanding corporation that offers total logistics management and logistics services to our customers.

The new identity, TransCrate International Logistics, acknowledges (Believes) "quality" not only as a platform but also as a vital factor subject to continuous improvement through the customer evaluation.

TransCrate international Logistics strives to build on developing skills of our employees and maintain customer satisfaction through continuous training and acclaimed revolutionary solutions.

Why we are unique?

With access to excellent and reliable network of quality carriers and carefully selected partners we ensure a trouble-free transport.

Whether it is the distribution of small packages, single pallets, part loads, full loads, or warehousing activities, we always choose the most effective mode of transport and quality solution.

We can practically ship any cargo anywhere, anytime.

“True cooperation involves a commitment to share challenges and successes of any enterprise.”

Our Mission

To continue to earn a reputation of integrity, service and diversity, that is unmatched in our industry, 'The Dependable Difference', In order to achieve these lofty objectives, we must hire and retain only the most Qualified and dedicated who share the Company's vision.

Our status as a diversified, premiere third party logistics provider is dependent upon our ability to provide only the highest level of service to our customers, maintain a necessary profit margin, and to recognize opportunities and react to changing market conditions well ahead of our competition.
